Review the following changes/additions/clarifications to Invitation to Negotiate (ITN) No. 16-05-MH TEDDY Data Analysis to be addressed in submitted proposals:

Below are questions we received from potential vendors related to ITN 16-05-MH, the TEDDY responses are in red.

1. Can you confirm that out of state bids are eligible? Yes out of state bid/proposals are eligible.

2. Is it fair to anticipate that the Coordinating Center is going to provide necessary computational staff, software and hardware support for processing raw sequence reads? Yes.

3. Does 30 page limit include only scientific and analytic plans, as one expects on typical RO1 proposal? Yes, the page limit applies only to the scientific and analytic plans.

4. We have staff who would like to propose to ITN 16-05-MH, TEDDY Data Analysis. In reviewing the call, I do wish to verify that Federally Funded Research & Development Centers (FFRDCs) eligible to respond? Yes, FFRDC’s are eligible to respond.
Addendum #1

5. If eligible, how many awards are expected? This has not been pre-specified. It is expected that multiple awards will be made.

6. If eligible, what is the appropriate FTE and/or dollar effort? The requested budget should be justified by the work proposed. The specific funding level may be negotiated after the selection process to reflect available funding and the priorities of TEDDY.

Note: Please note receipt of this addendum by signing and returning with your proposal response
